

# Kumi Commitment

*This declaration of commitment sets out how much time you intend to spend on Kumi each week. It is intended as a personal motivator and prayerful goal rather than something set in stone or something that you will be judged on. It is yours and yours alone.*

I, \_\_\_\_\_, commit to devote \_\_\_\_\_ hours a week to peace in Palestine and Israel. My actions will hold fast to the founding values of inclusivity, justice, and nonviolence. I will commit to read, study, and act through Kumi, always striving for a lasting peace in Palestine and Israel.
