ISRAELI COMMITTEE AGAINST HOME DEMOLITIONS

About ICAHD

The Israeli Committee Against House Demolitions (ICAHD) is a non-violent, direct-action group dedicated to establishing a single democracy in historic Palestine, thus achieving a just peace between Palestinians and Israelis.

Since 1997, ICAHD has focused its resistance on Israel's policy of demolishing Palestinian homes and structures (more than 120,000 since 1948). ICAHD uses the policy of home demolitions to expose how Israeli colonialism and occupation work.
