# ZOCHROT

## About Zochrot

Zochrot (*remembering* in Hebrew) is an NGO working since 2002 to promote acknowledgment and accountability for the ongoing injustices of the Nakba and the conceptualization of the Return as atonement for the Nakba and a chance for a better life for all the country's inhabitants.

Zochrot envisions Return as an extended, multidimensional process. Under this expansive view, Return begins long before the actual return of refugees and proceeds long after.
