

# KUMI NOW ORGANIZATION

# PALESTINE MUSEUM OF NATURAL HISTORY

## About PMNH

Using largely volunteer efforts and local donations, the Palestine Institute for Biodiversity and Sustainability (PIBS) and its offspring, the Palestine Museum of Natural History (PMNH) and ecological botanical gardens at Bethlehem University were established in 2014.

Their goal is to research, educate about, and conserve our natural world, culture, and heritage and use knowledge to promote responsible human interactions with our environment.

## How you can help

**Make a donation:** Support this important work at <https://www.palestinenature.org/donations/>.

**Volunteer:** The PMNH has an amazing volunteer program that can include lodging. Learn more at <https://www.palestinenature.org/volunteer/>.

**Visit and follow:**
