

## **Kumi Action: Remind Your UN Mission of Their Obligation to Resolution 194**

Find the address to your country's permanent mission at the United Nations and send a physical copy of the UN General Assembly Resolution 194, which calls for the Right of Return and compensation for Palestinian refugees. You can also send a digital copy to their email address. Write to the mission asking them why the UN continues to fail the Palestinian refugees and ask the mission to take stronger measures to support them and their return in accordance with international law.

Share the message you sent on social media, tagging your country's UN mission if possible. Include a link to this page of the Kumi Now website along with the hashtags #OngoingNakba, #KumiNow, and #Kumi25.

## **Additional action: Push Back Against Conditional Funding and include the EU**

Use what you've learned today to push back against conditional funding contracts with the EU and its member states.

The EU has a form you can use to contact them. The link will also be shared with you.

Consider mentioning BADIL and their position paper in your messages.

Links to find your country's mission's mailing and email addresses as well as fax numbers will be shared in chat and on the webpage.
