Dear Kumi Now supporter,

We find ourselves halfway through 2022. For Kumi Now this means taking a one week break from the Kumi Now online gatherings. **We hope to see you in two weeks time** when we learn about Morally Responsible Investing. More info below.

On Tuesday **Dr. Alice Kerschbaumer-Schmitzhofer**, executive director of **Flame of Hope**, spoke to us about Israel's nuclear weapons and the threat of nuclear weapons around the world. The replay of the session is now available [on YouTube](#) and [on our website](#). The website includes her bio, the advocacy instructions, and links shared during the gathering.

We would appreciate it if you could share the session with your community. You could use wording such as:

*Last week we learned about Israel's nuclear weapon program and the threat of nuclear weapons around the world. Our guest was Dr. Alice Kerschbaumer-Schmitzhofer, executive director of Flame of Hope. ## July 9 to 15: Week 28 - Morally Responsible Investing

[Read the full entry online.](#)

Israel's oppression of Palestinians and flouting of United Nations resolutions is ongoing and unwavering. Dozens of international corporations profit off this oppression by contracting with the Israeli government and participating in the construction of illegal settlements. As we mark the beginnings of the BDS Movement on July 9, 2005, here's what you need to know about morally responsible investment and what you can do so that together we can rise up.

For our Kumi Action we write to our church, company, school, place of worship, or any community we belong to and find out where/how they invest their money.

## July 16 to 22: Week 29 - The Israeli Apartheid Wall

[Read the full entry online.](#)

Resolution ES-10/15 doesn't, in name, sound like much. But it was a resolution passed on July 20, 2004 that acknowledged the illegality of Israel's separation barrier under international law. Years later, Palestinian communities in the occupied territory are still being torn

apart due to the construction of the separation barrier, otherwise known as the Apartheid Wall. As the wall gets built, Israel is effectively annexing more and more Palestinian land to itself.

For our Kumi Action we will send empty boxes to the Knesset, showing them how easy it is to open a gate or barrier.

## July 23 to 29: Week 30 - Family Unification

[Read the full entry online.](#)

On July 31, 2003 Israel passed the Nationality and Entry into Israel Law, making the lives of thousands of Palestinian individuals and families even more precarious and complex.

For our Kumi Action we will send the Prime Minister and his cabinet paper dolls to move around and play with.

### What's Next

We hope to see you in the online gathering a week from Tuesday and you'll receive another newsletter next Saturday, focused on [Morally Responsible Investing](#). As always, there is more to come!

Sincerely,

The Kumi Now Team
